

KEEL BOAT RACING

Do you fancy a little adventure in your holiday, why not try small yacht sailing in the Kilindini Harbour.

We race Flying fifteens out from the Mombasa Yacht Club and all we need is four people to make a race.

A brief on the safety and the days events then relax with a Yacht Club Lunch on the foredeck.

After lunch we board the boats and race a set course either in or out of the harbor depending on the weather.

We come off the water around 5:30pm and there is facility to shower and change after the racing then have a drink before returning to your hotel.

This is a wet tour so bring clothes and shoes which you can get wet and a dry set to go home in.

It is fun wet and great views of the harbor that you can never normally see.

The cost per person is Kes11,000 including your lunch

WHAT YOU WILL NEED

- . T-Shirt and shorts for sailing
- . Swimsuit
- . Sun hat
- . Sun Cream (factor 50)
- . Disposable shoes

If you bring cameras, telephones etc you will need to have a fully waterproof storage bag for them that fits in your pocket.

If you require or are taking medication for any condition you MUST make this known to EASI before you begin the trip.

EASI sails out of Mombasa Yacht Club which is situated in town at Liwatoni.

If you have friends or family members who would like to come with you but do not want to sail there is a daily membership charge of Kes500.00 per person per day. If you order a main course meal this amount will be allowed against your bill.

We have a swimming pool and lovely views over the harbour to allow the non-sailors to relax and enjoy the view. They can even watch the racing from the swimming pool.
